

About This Resource

CAPA has constructed a tobacco resource guide for Cuyahoga County. Here you will find a comprehensive list of resources, services, and treatment options for individuals experiencing an addiction to nicotine and tobacco products. The available resources outlined within this guide include nicotine anonymous (NicA™), and tobacco cessation programs and services located within your community.

What is Tobacco Cessation?

Tobacco Cessation or smoking cessation is the process of discontinuing the use of tobacco products including cigarettes, chew tobacco, and E-cigarettes.

QUIT TODAY!

Individuals who participate in a smoking cessation program that provides support and guidance throughout the quitting process can double their chances on quitting for good.
